

Navigating your online course Brightspace page

Click on the **Grid** to find all your course pages.

Watch for **Notifications** about emails, messages, and updates to your course here.

Use the **Navbar** to find the information of your course—**course content, grades, progress, and your course tools.**

Click on **Content** to access your course content. Once there, you will find the content divided into **units** on the left sidebar.

Read **Announcements** from your Instructor.

Course Tools is where you will find **Discussions, Assignments, Quizzes, and more.**

Check your **Calendar** for important dates and today's events.

The screenshot shows the Brightspace interface for a 'Continuing Studies Online Guide' course. At the top, the UVIC logo and course title are visible. Below this is a dark blue navigation bar (Navbar) containing links for 'Course Home', 'Content', 'Grades', 'Class Progress', 'Course Tools', 'UVic Resources', and 'Help'. The 'Course Tools' dropdown menu is open, listing various tools like 'Course Admin', 'Discussions', 'Assignments', 'Quizzes', 'Self Assessments', 'Kaltura Media Gall...', 'Kaltura My Media', 'Zoom', 'Checklist', 'Surveys', 'Crowdmark', 'Awards', 'Groups', and 'Announcements'. To the right of the main content area, there are icons for 'Grid', 'Email', 'Messages', and 'Notifications', along with a 'Student Name' profile picture. Below the navigation bar, there's a banner image with the text 'Continuing Studies Online'. On the left side, there's an 'Announcements' dropdown menu. The main content area features a 'Welcome Student!' message and a list of bullet points: 'Navigate and use online technologies to...', 'Assess your own skills and knowledge through training', and 'Find university supports and help for learning'. On the right side, there's a 'Calendar' dropdown menu showing 'Wednesday, June 2, 2021' and a message 'There are no events to display.'
