You want to be a high flyer with your feet on the ground. Now you can do both. Combine flight training with a prestigious university business diploma tailored to the aviation industry. If you're graduating or have recently graduated from high school and want to become a commercial airline pilot, this program is for you!

Employers recognize that good pilots do more than fly aircraft; they are active problem solvers, strategic decision makers and superior communicators. The most successful are skilled in business management, leadership, team building and crew resource management.

Classes are held at the Victoria International Airport or on the University of Victoria campus over a nine-month period. The unique program schedule means you can complete both your private and commercial pilot's license and also obtain the Diploma in Business Administration. Start shaping better career options for yourself today and watch things really take off!

Entrance Requirements

- Successful completion of Grade 12
- A desire for a career in aviation
- Motivation to complete an intensive business program
