

Call for Advisory Committee Members Current Concepts in Dentistry University Of Victoria

The Division of Continuing Studies at the University Of Victoria has vacancies for dental professionals including general dentists, dental specialists, certified dental assistants, and dental hygienists to serve on the Academic Advisory Committee to participate in program planning and delivery of the Current Concepts in Dentistry Program.

[Current Concepts in Dentistry](#) is an annual four-day professional continuing education program designed to assist dental professionals in maintaining currency of knowledge and skills of their profession. Offered by the Division of Continuing Studies at the University Of Victoria, this continuing education program is guided by an Academic Advisory Committee.

The Advisory Committee in conjunction with the Director and the administration staff will serve to encourage, plan and oversee the academic aspects of the delivery of Current Concepts in Dentistry. Members of the Academic Advisory Committee will assist with the following responsibilities:

- Determine educational needs and recommend lecture topics for dental continuing education courses based on needs assessments
- Identify, recommend and contact potential instructors for dental continuing education courses
- Review and approve course curriculum
- Review and approve course content for promotional materials
- Participate in assessment of the effectiveness of the overall continuing dental education program

Qualifications

Candidates must meet the following criteria:

- Practicing dental professional registered with the College of Dental Surgeons of BC or College of Dental Hygienists of BC
- High professional standards
- Excellent communication skills, enthusiasm and commitment to continuing education
- Willingness to serve on a 3 year term and meet 3 to 4 times per year (meetings are typically 1-2 hours long)
- Adhere to administrative responsibilities as outlined by the terms of reference
