“I had an unforgettable experience at the ELC. I was impressed with UVic’s facilities and the quality of education. My homestay family treated me like their own. It was strange at first, meeting many young students but I enjoyed getting to know them. Sometimes it was not easy to communicate in English but it helped me to practice English more and not speak in Portuguese.”

—Helena Distelfeld (Brazil)

“I actually still remember the first-day I came to Victoria, what a beautiful city! I saw the sunset when I was taking the ferry and when I woke up in the morning, I saw the flowers gently swaying in the breeze. It is much more beautiful than I expected!”

—Yanqing Li (China)

“My ELPI classes were excellent. They were interactive and diverse. I loved the idea of having elective classes so I had the chance to personalize my education a bit. The aspects of ELPI that helped me most were the writing and reading exercises. My instructors helped me with the transition between academic writing in my mother tongue (Spanish) and English. It was a huge learning curve!”

—Olena Marun (Venezuela)

“One of the best things in the ELC is the Learning Centre. We can talk to volunteers who are native speakers about anything. Also, there are teachers helping us with writing and pronunciation. It is incredibly helpful. The most amazing experience I had at the ELC was to be in a class with people from different cultural backgrounds. I got to know the cultures of many countries and learn how they think about different issues. Sometimes it’s a totally different perspective from what I learned in Taiwan.”

—Sophia Chiu (Taiwan)

“My goal was improving my communication skills. ELPI helped me do this by giving me chances to talk with others in English. The environment for students is well prepared. Of course, in classes, we had to speak only English. Also, if students want to talk with someone in English, they can go to the Learning Centre where there are very kind volunteers. I felt so comfortable to communicate with them. I think it’s really good that there are local people at the ELC so we can know about Victoria and Canadian culture.”

—Ryosuke Iida (Japan)
