Study English in Canada!
Dear Students,

Welcome to the University of Victoria English Language Centre (ELC). In April 2016, we launched our newly-expanded 7,300m² facility with 27 classrooms, three language laboratories, two executive classrooms, a study centre, writing centre, pronunciation centre and a student lounge fully equipped with enhanced technology. This space gives our students a dedicated area to meet and interact before, during and after classes throughout their studies at the university.

We are enthusiastic about welcoming you to this amazing new facility and we hope that you will find it beneficial to your learning.
