- Friday evenings (Latin America)

Program questions? Please contact:

Selena Bryan, Academic Manager

tefl@uvic.ca.

Program includes:

- 50 hours of online TEFL synchronous and asynchronous instruction, focused on: theory and methodologies, lesson planning, principles and techniques for teaching grammar and vocabulary, English listening, speaking, reading and writing skills.

Participants in this program will:

- engage with course materials and participants via Zoom and Brightspace platforms;
- assess their ability to provide effective and efficient instruction to English language learners in a K – 12 system;
- apply their skills in communicative/experiential classroom instruction;
- recognize key principles of second language instruction and acquisition, including face to face and online methodologies, assessment and evaluation strategies, and lesson/activity development;
- employ language which will enable them to more readily communicate with colleagues in a K – 12 system;
- analyze current research and trends in the area of primary and secondary education;
- practice in a stimulating, interactive professional development environment.
