Late Arrivals

Students planning to arrive in the Homestay home after the homestay placement dates listed must contact the host with their request via email, with at least one week's notice.

Early Arrivals

Students needing to arrive earlier than the homestay placement dates:

- Students should ask their homestay family if they can be accommodated earlier than the homestay placement date listed. If the hosts are able to welcome the student early, the student is responsible for paying \$32 CAD/night for each additional night spent in the home.
- If the homestay family is not able to accommodate a request for an earlier arrival date, **it is the student's responsibility to arrange accommodation until the homestay placement date listed in the homestay contract.**
- Once accommodations have been arranged for early arrivals, student must contact their homestay family to tell them where they are staying, so arrangements for pick up can be made.
- Students should aim to arrive on the weekends or weekday evenings, no later than 9 pm (and not during the weekday work hours) so that homestay families can make the necessary arrangements to pick up the student.
