Following completion of a Certificate or Diploma in Business Administration (CBA or DBA) at UVic, our students may also pursue a pathway to a degree at our partner institution, Royal Roads University.

Located in one of Canada's most beautiful National Historic Sites, Royal Roads University has a history of excellence providing life changing experiences that enable professional and personal transformation. Royal Roads University values of the lessons learned outside of the traditional classroom, so they use a holistic, student-centred approach to the admission process.
