Certificate Program in Environmental and Occupational Health

ADMISSION CRITERIA

Eligibility for admission includes one of the following:

- university degree (or relevant professional qualifications) and three years work experience; or
- high school graduation and five years work experience; or
- any combination of equivalent education and work experience.

APPLYING FOR ADMISSION

Anyone interested in taking the Certificate Program in Environmental and Occupational Health (EOH) or one of the courses is required to complete this Application for Admission form (see other side). There is an application fee of \$95.

An admission committee will review your application and then you will be advised of the registration process. Following registration, you will be placed on an interest mailing list to ensure advance notification of the course registration.

WITHDRAWALS AND REFUNDS

All courses in the Certificate Program in Environmental and Occupational Health have limited enrollment.

Students who wish to withdraw from a course must notify the EOH program administration staff prior to the final day of class to ensure that they are removed from the class list and are not awarded a failing grade.

Students who wish to withdraw from a course within six calendar days of the course start date will be eligible for a refund of their course fees, less a \$75 administration fee. Withdrawal requests received after this period will not be eligible for a refund.

INSTRUCTORS

Our instructors are chosen to participate in the Certificate program based on their educational background and relevant career experience.

They have extensive experience in occupational health and safety, ergonomics, waste management, hazard evaluation, environmental health law, health information via computer, and planning and policy.

Instructors are approved by the program steering committee and evaluated by the students.
